21. 76,000 sq. ft. open field (divided into 3 split fields with netting)
22. Self Start Rule will be used. The player may restart the ball after a foul. She must make a separate move when starting. E.g. cover the ball, stop the ball. The player committing that foul may not play that player until she has moved five meters, similar to a five meter bubble around the player with the ball. The ball should be started close to the foul.

Inside the 25:

All players must be five meters away from the player with the ball, and the ball must move five meters before entering the circle.

There is no striking the ball into the circle until it has moved five meters.

The ball must be placed five meters away from the circle line after a foul near the circle.

For further explanation, please visit and follow Rule #'s 13.1 and 13.2, and pages 29-32.
